Dear Les:

Many thanks for your note of support for my July 19 statement on arms control. I'm pleased that you approve, and very grateful for your help, and that of your assistant, Bob Sherman, in putting it together.

I appreciate your suggestion on the flight test ban issue. I may very well get a chance to use it during one of the upcoming debates.

Best wishes.

Sincerely,

Joseph R. Biden, Jr.
United States Senator
