# Holiday Greetings

As we approach the holiday season and I enter the last year of my term as governor, special thoughts of those who were so instrumental in my 1978 campaign win are brought to mind.

Because of your past support, I want you to be the first to know that I am formally committed to running for re-election in 1982. I will be making my official announcement soon.

Dolores and I wish you and yours the happiest of holidays and a joyous new year.

From our home to yours—Seasons Greetings.
