

GERALD R. FORD

June 13, 1978

Dear Vic:

It was great to hear that you were successful in your bid for the nomination for Governor of Oregon in the recent Republican Primary.

I am sure you would bring the same efficiency and enthusiasm to the Governorship which you displayed as Campaign Chairman during the 1976 elections and I sincerely hope you have the opportunity to display that ability to the people of your fine state as their governor.

Warmest best wishes,

Sincerely,

A handwritten signature in cursive script that reads "Jerry Ford".
