Governor Victor Atiyeh

Salem, Oregon 97310

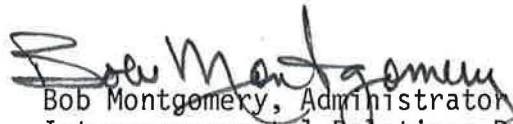

Dear Governor Atiyeh,

It has truly been an honor to serve the citizens of Oregon under your guidance. The past eight years have been very gratifying for me. We have many things to be proud of that only the future can tell.

From Shaniko to Portland, progress has been moving forward under the Atiyeh administration. The only time that sewers, waters and job training are interesting are when you need them. The needs for these services in Oregon are obvious-they just don't make headlines.

I will always be proud to say, "I served under the Atiyeh administration". Should your future travels get you to Hood River, please stop by the courthouse for a visit.

Sincerely,

Bob Montgomery, Administrator
Intergovernmental Relations Division
