# ENJOY WEARING YOUR "REAGAN 84" COLLARCLIP THROUGHOUT THE CONVENTION TO SHOW THE UNITY OF OUR REPUBLICAN PARTY . . .

Dear Delegate,

This is your souvenir "Reagan 84" Collarclip. It is a personal gift with the compliments of Bill Mahoney (Box 1800, Cape Coral, FL 33910). It is the world's only new patented jewelry fashion for men and women to be worn on any collared shirt or blouse. It has an 18 K. gold finish with a diamond cut chain and automatically becomes a valuable collector's item.

. . . It signifies, \* "Our President has already proven to all Americans, he is worth his weight in gold—we can't afford to lose him".

**DESIGNED FOR THE  
PRESIDENT'S CAMPAIGN  
by Livia Lee . . .**

**NOTICE:** Collarclip is a Patented item not available to the opposition. It therefore is unique to The President's Campaign. It is being offered to all Republican Districts through you at a factory level price of \$4.00 each. (It would retail at \$18.95). We suggest you buy them for your workers to wear, — use them to give out at fund raising dinners, — sell them for \$10.00 or \$15.00 as souvenir collector's items, etc. Since you are dealing at factory level with no jobbers or wholesalers in the middle, it is necessary they be ordered in lots of at least one gross (144). The cost per gross is \$576.00. Due to time limitations to insure delivery, we suggest you order as soon as possible.

Send check or money order in the amount of \$576.00 per gross to Collarclip Corp. — Mailing Address —  
**COLLARCLIP CORP., 1340 HARTFORD AVENUE,  
JOHNSTON, R.I. 02919 - Phone (401) 831-2100.**
