Dear Victor:

We were informed that you might be available to play football this coming season; if so, we would like to have you play for our club.

The Cardinals and Pittsburgh clubs have merged for the 1944 season and from our list of potential personnel, indications are that we'll have an outstanding ball club.

We'd like to have a little information on you, so inclosed is a questionnaire which we would like to have you fill in and return in the self-addressed stamped envelope for your convenience.

There isn't too much time left to complete our roster, so won't you please send this along as quickly as possible.

Sincerely yours,

aw:f
