Gov. Vic Atiyeh
519 SW Park, #208
Portland, OR 97205

Dear Governor:

Thank you for agreeing to serve as an honorary captain at the Stanford game. We are truly thrilled to be able to honor you in front of a sold-out Autzen Stadium crowd. You have achieved extraordinary accomplishments and been a big part of developing the tradition that is University of Oregon Athletics, and for that we genuinely thank you.

I will be coordinating the program for you and have enclosed an agenda for game day. Please look it over and call me immediately if you have any questions. Along with your agenda, I have included a stadium map, an Autzen Stadium parking bumper pass, post-game Pittman Room passes, and your pre-game field pass. You should plan on arriving at the stadium through entry two off of Centennial Boulevard on the north side of the stadium. We will also provide you with an honorary captain shirt to wear for the day, and will give this to you on gameday. I will meet you underneath the Order of the O banner inside the Ed Moshofsky Sports Center 30 minutes prior to kickoff, and escort you into Autzen Stadium prior to the game. You will be on the field for the coin toss approximately 10 minutes prior to kickoff, and from there can proceed to your seats. Please note that the game time can change as late as the week of the game.

I look forward to meeting you and sharing with you in a wonderful tradition — game day at Autzen Stadium. Please call me with any questions you may have at 541/346-5343. GO DUCKS!

Sincerely,

Kurt Zimmerman
Regional Director of Development
