Dear Sir: -

my wife and I have read
with great interest in the Oregonian
the articles about your journey back
to your homeland -

Your people as well as
all Oregonians must be very proud of
you, its always nice to be welcomed
back home.

We are glad that you are
back safe and sound.

As the Scottish people would
say "long may your burn reek"
(long may your chimney smoke)

yours respectfully

Emma and Wally Boyd
