Community Action Organization
1001 SW Baseline
Hillsboro, OR 97123

Dear Ms. Hirst:

Thank you for your kind invitation to Governor Kitzhaber to speak at the Community Action Organization's 30 year celebration and the opening of your new facility.

Unfortunately, the date you requested conflicts with a previous commitment the Governor has made and therefore does not permit him to join you. We are grateful for your invitation and hope you understand the many demands on the Governor's schedule.

Governor Kitzhaber has asked that I express his appreciation and extend to you his best wishes.

Sincerely,

for 

Patty Greenfield
Assistant to the Governor
