Dear The Honorable Atiyeh:

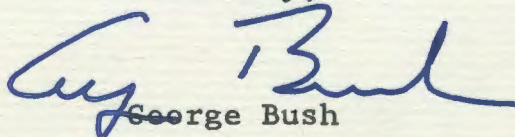

November 8 was not just a victory for Barbara and me. It was a victory for all of us.

Barbara and I will always remember your friendship, and we are deeply honored to have the opportunity to serve you in the White House.

As we stand together in victory, so shall we stand together in meeting the challenges that lie ahead. There is much work to be done, and we know that with your support, our hopes for a better and brighter future will be realized.

Our best to you and your family during the holiday season. Thanks for all that you did on our behalf.

Sincerely,

George Bush
