TAKE A CHANCE
AND GIVE A CHANCE

Take a chance on winning cases of wine and your purchase will help Community Action give families a chance of finding stability in their lives.

Here's how:

To participate: fill out the ticket stubs and drop into the enclosed envelope along with your check. You will be entered in the drawing for the wine raffle.

This year there are 11 lucky winners who will each get some wonderful Washington wine, but more importantly there are families who will be winners because of your support.

Your ticket purchase can help us keep our food closet open 24 hours a day or help to buy classroom supplies for our Head Start children. It can also prevent homelessness through our rent assistance program or provide a safe and secure shelter for a homeless family.

Your ticket of chance can touch hearts and help to change lives. Each gift does make a difference in lives of families in Washington County.

Our services include:

Housing
Emergency Services
Programs for Children & Parents

Thank you.

*All proceeds from the 4th Annual Wine Raffle go to support
the programs and services of
Community Action Organisation.*
