

QUESTIONNAIRE FOR PEOPLE OF
GASTON, CHERRY GROVE, DILLEY AND LAURELWOOD

The following is what a Service Center can offer:

A meeting place for county services to come to you instead of you going to them. The possibility of hobby or educational classes with qualified instructors. Organized activities of your choice. WHAT IS YOUR CHOICE? THIS IS OR WILL BE YOUR CENTER AND WE WANT YOUR HELP.

Listed below are some of the things people have indicated. We would like to consider some of these choices. Then, if there are other choices which are not listed here there is a place provided for them. Check the ones that you are interested in and add those we may have overlooked. This should include items of interest for every person from the youngest to the oldest. Let us not dwell upon just one phase of the age scale.
