STATEMENT BY GOVERNOR VIC ATIYEH

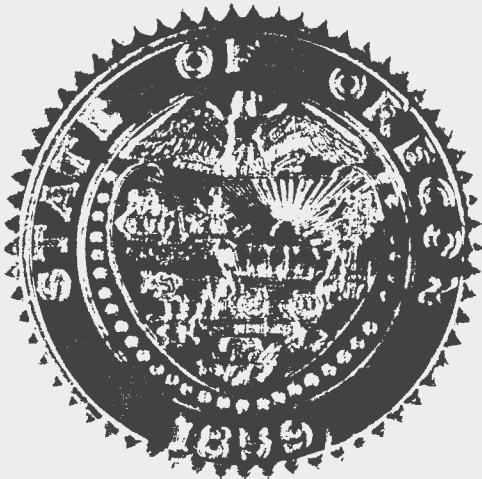

The health of the people is the foundation upon which all happiness is based. It is imperative that we establish and maintain a high level of physical fitness for all in our society.

Youth, fun and fitness is an integral avenue on which the direction of our nation's physical future can be laid. It is important that we create support for and better understanding in the area of youth fitness and sports among Oregonians today.

Therefore, as Governor, I hereby proclaim January 13, 1982, as

YOUTH, FUN AND FITNESS DAY

and urge all Oregonians to join me in recognizing this effort. Communicating the value and importance of youth fitness while providing an opportunity for its continued growth will be beneficial for all.

Governor of Oregon
