Dear Mr. Atiyeh,

On the instructions of His Majesty The Emperor I would like to thank you for your kind letter of sympathy and condolences.

His Majesty was pleased to know that you still hold vivid memories of meeting Their Majesties at Akasaka Imperial Palace, then The Crown Prince's Palace, in September 1984 when you were Governor of the State of Oregon.

His Majesty warmly appreciates your thoughtfulness and sends His best wishes to you.

Yours sincerely,

Dear Governor and Mrs. Atiyeh:

It was a great pleasure and an honour for us to have been invited to have dinner with you this past Friday. Fumi and I deeply appreciate the opportunity to have had such a delicious dinner and such pleasant conversation with you.

Furthermore, to include me as one of the recipients of the precious Governor's Medallions, is a most special privilege, for which I am most appreciative.

Thank you for this most thoughtful gift, which will remind us, for many years to come, of our evening together, the most memorable occasion of my assignment here in Portland.

Sincerely yours,
