Mom -

Sorry, no decent letter, but I'm drowning in book work.

Paper, Nis's letter, etc. enclosed. Wrote Alice Sat. + heard from her today the same news as in your letters.

About TW + cookies - I think they'd love it. Couple of suggestions:

1. Send to Pat Woods, Pres.

Gamma Sigma Fraternity
1806 Elm St.

Forest Grove - 97116

They'd need about 8 or 10 dozen.

2. Enclose a note addressed to Pat + Derry

Might play this up as a substitution for being house mother, since Pat invited you to that position.

3. Tell them ~~to~~ they can either just pass them around to the men at the house, hoard them for themselves, or serve them at a meeting.

4. Might mention that you're keeping ~~a~~ place of honor just ⁱⁿ ~~case~~ Gammas grab Boxer next time round.

5. Wish them luck in Homecoming +
Rush, + tell them to take good
care of Thety's!

Alice can have canisters, of course,
+ anything else in my Trunk that
might help her. I told her that in
my letter.

Wanna look around for Conrad's
clock. On 2nd that, wait till I have
longer + can describe to you the
apt., etc. so you have an idea
what to look for.

More later - I promise.

Love
Cheron
