Dear Swami Deva:

I have had an opportunity to review the information that Children's Services Division staff obtained during a site visit to your community on September 20, 1983. Their visit to your community was to determine if your situation required licensing as a private child caring agency as described in ORS 418.205 through 418.310.

At this time your community does not require a license as a private child caring agency under the above statutes. If, in the future, the statutes change or the Division receives information that the care of children at Rajneeshpuram has changed from what is currently happening, we may need to seek further information from you.

Thank you very much for your assistance in this matter.

Sincerely,

Jess Armas, Assistant Administrator
Office of Juvenile Corrections
and Community Services
