**Below is the ad I prepared. Hope it will be of good use. Thank you very much!!! I enjoyed talking with you and appreciate your suggestions. Also included is the article in the Oregonian about my wonderful sister-in-law who really had happy memories of growing up in Chiloquin.**

**IMPORTANT NOTICE!!**

**From: Governor Vic Atiyeh (1979-1987)**

**Shortly you will cast some very critical votes. By this notice I am urgently recommending that you cast one of those votes for your U.S. Senator Gordon Smith. He knows about us, he cares about us and he has proven his loyalty. His opponent is an unknown.**

**We have too many serious ongoing issues that will affect our future to leave it in the hands of a newcomer who knows very little about our history, culture, traditions and needs for our future.**

**You may remember that some months ago all nine reservation tribes openly supported Senator Gordon Smith. Now you have a chance to individually cast your vote to support that announcement. This is a very close race. Do not wake up on the morning after the election and ask yourself: "Why didn't I vote for Gordon!!". For your own interest cast your precious vote for Senator Gordon Smith.**
