Dear Friend!

I know you would be willing to help me in my trying to procure a sufficient education to fit me for the work among race.

I ask you this favor, how much ^{by week or month} would be the cheapest place for board & lodging?

I want to know the ~~to~~ exact amount it would cost me for 9 months in school there.

I would not be ready to go there till next fall.

Please answer soon and send me a copy of the School's catalogue and oblige. We are all well

Ans. About \$200. will probably give him his tuition.

at present.

Please remember me kindly
to Prof. Ferris, and Symon.
Yours in haste
P. B. Stanup.
