Dear Mr. Atiyeh:

I take this opportunity to send you warmest greetings for Christmas and my best wishes for a Happy and Prosperous New Year.

I hope that we all may so conduct ourselves with wisdom, courage and unselfishness that our children and our children's children may enjoy the realization of man's age-long prayer for peace and goodwill.

Please extend my best wishes also to the Scouts and Scouters of your Council and to your Scout Executive and all his staff.

Sincerely,

Ellsworth H. Augustus
