Dear Governor Atiyeh:

I am very grateful for your response. After the Legislative Initiative Committee meets on September 13, I will call to see how much contact you are comfortable making. To the degree that you feel it would be helpful to take some of the legislators to lunch or dinner, the Johnson Foundation has made a contribution to the Oregon Historical Society which would be available to reimburse any expenses that you might incur. Just keep your receipts and get them to me. I will make sure you get reimbursed.

Thank you, again, for your offer of assistance.

Very truly yours,
