Terralyn ...

I talked to Barry -
He only has the count
for Lloyd-Dene in
Cornelius - 100.
They said they should
have the complete
count by next week.
(It's hard to fit the
camp visits between
the office appts., etc.)
Martha + I felt a little
uncomfortable asking
too many questions so
we just got the total

member. CASA said
they will send us a copy
of their survey they did
this past winter. That
should give the # of available
units/camp.

Thanks for
your patience!

Liana
