ORIENTAL RUGS

NOW OFFER PHENOMENAL VALUES

NOWDAYS an Oriental rug is not a luxury — it is an economy. We know of nothing else in home furnishings that has suffered a price decline comparable to Oriental rugs. . . Advancing prices are no longer a prediction; they have been an actuality for some time.

Our “loom-to-home” organization and coast-to-coast distributing facilities which eliminate middlemen and many handling charges offer an outstanding service not obtainable anywhere else.

Call at our commodious new store and see the great values now obtainable in Oriental rugs of every make.

¶ *A living room can be completely furnished with Oriental rugs at a price but little more than for machine-made rugs.*

Only a few examples are shown in the following table to compare today's values with those of recent years.

ROOM SIZES (9x12)

	During the years	1920	1930	N O W as low as
Kashan	\$1750\$1200\$275
