

MEMORANDUM

June 28, 1984

TO: Governor Atiyeh
FROM: Gerry Thompson
SUBJECT: Unitary Tax

Ike Reigenstreif, Rob Douglas, Pat McCormick, Rich Munn and I met today to coordinate efforts. We agreed that the CPA's will immediately send letters to all legislators endorsing your proposal with the purpose of bringing about a comfort level to the legislators from a technical standpoint. Rob will draft a proposed letter and review it with Rich and me.

After the letter, Ike's unitary study group and the American Electronics Association will begin calling legislators. Hank Crawford was not at the meeting but has agreed to do the same calling from a small busines standpoint.

We then reviewed and cross-checked the position of legislators.
