Boxer Committee;

Feb. (May 82)

At the ^{S.L. city.} meeting of your Conference
I met this man & saw a sculpture
he created. When you get ready to do
the Boxer from I'd highly recommend
this artist. Could be with some good
recognition and due credit he might
be very reasonable, especially, since
he is an older man and appears to be
well to do. His work is super.

Also how is the money campaign
coming along? Have been working on a
H.R.Co. family history book (500 p. + 1000 photos)
but am now winding down so could be
available to help. Janice is coming to
homecoming - Jan going elk hunting. Still old P.R.
