Dear Noble:

Have you ever heard the name of a brother Noble, knew it, but couldn't quite picture him? Well here's your chance to solve that problem. As one of my projects for this year, I have decided to publish a directory. This book will be a valuable tool in learning more about the history of our Shrine, as well as a treasure to you.

Every Noble and Lady as well as single Noble photographed will be included in the book. In addition, our directory will contain interesting historical data and other photos relative to our Shrine, its units and its clubs. I want to encourage you to participate in our directory by having your portrait taken so that our directory will be as complete as possible. The portraits will be taken and book published by Campus Photo, a reliable firm that specializes in pictorial yearbooks and whose credibility we have thoroughly checked out and have used before.

You will be contacted to schedule a portrait appointment time in your area. If you are not contacted, have an unlisted phone number, recently moved or have no phone, please call 1-800-338-2075 evenings, between 4PM and 8PM Central time, Monday through Friday. PLEASE MAKE AND KEEP YOUR APPOINTMENT. Photography will be done at the Shrine Center and outlying club areas.

There is no cost to have your portrait taken. Because there is no sitting fee you may wish to bring along your children or other relatives for a group portrait without obligation. You will view your portraits electronically at the time of photography and select a pose for the book and any additional portraits that you may be interested in purchasing. Everyone photographed will be given an opportunity to purchase a directory should you wish to own one. **Orders for directories will be taken at the time of photography and must be paid for at this time.**

Please show your pride in being a member of our Shrine by participating in our new directory as Without you our book will not be complete.

Yours in the Faith,

Bill Doherty
Potentate

P.S. Bring your Lady and don't forget your Fez!

Your Participation Is IMPORTANT To The Success of OUR Directory

If you wish you may cut along the above line and use this portion as an appointment reminder. When you are contacted, please write the date and time of your appointment in the spaces provided.
