Dear Friends,

We read about your publication in the "Directorio Chicano." We publish a monthly bilingual newsletter, "The Rural Tribune," an 8 page tabloid with a circulation of 10,000. We focus on news of interest to low income and minority people living in Washington County, also reporting on state and national issues that are pertinent.

Please send us a list of your publications and add our name to your mailing list for future efforts. Thanks.

Sincerely,

Judy Schilling
