Dear Vic,

Thank you for your recent note commenting on your appointment of me to the Supreme Court. It is most gratifying to know that I have not disappointed you.

I want you to know that I am deeply grateful to you for the opportunity you gave me to serve on the court. It has been challenging and rewarding and an experience to treasure.

You have made an outstanding appointment to take my place in Mick Gillette. He is truly the brightest and the best. You are to be congratulated on that selection.

Sincerely,
Betty
