Dear Mr. Atiyeh:

Thank you for your recent letter. I enjoyed reading your story and learning about your stint with the Packers. I guess that the salaries have increased a little bit since your tenure with the Packers. I am glad to know that you have remained a Packer Fan over the years. We are very excited about the season we had this year, and are looking forward to taking our team to the next level in 1996. Thanks again for your letter.

Sincerely,

Mike Holmgren
