Dear Steve:

On behalf of the Board of Directors of Washington County Community Action, I want to thank you again for your tremendous support of our programs and encourage you to continue that support by being a sponsor for the 1994 Mardi Gras Ball, to be held at the Portland Art Museum North Wing, on February 12, 1994.

Plans for the 1994 event are beginning to unfold and undoubtedly will result in the best and largest Mardi Gras yet, generating nearly \$ 68,000 in revenue to help WCCAO in its work with the 20,000 families in Washington County that can not meet their basic needs for clothing, food, shelter and health care. Estimated cost for the event is \$30,000. Our goal is to completely underwrite the event costs with sponsorship, so that revenue generated at the event will go directly to provide services to families.

We would like Times Publications to consider sponsorship of the event by donating the printing of 20,000 flyers used to promote Mardi Gras, and by running two pre-event ads in your newspapers. Your support last year was critical to the success of the event and will be so again this year. Besides the satisfaction from helping others, you will receive the benefits of sponsorship outlined on the enclosed chart.

Also enclosed is a preliminary Fact Sheet on the event and updated information on Washington County Community Action.

Thank you so much for your consideration of this request. I am looking forward to continuing our partnership. It does make a difference!

With warm regards,

Jerralynn
