Honorable Victor Atiyeh
Governor
State of Oregon
Salem, OR 97310
U.S.A.

Dear Governor Atiyeh:

It was indeed a great pleasure as well as a great honor for me to have visited your state as one of the members of the Keidanren Investment Expansion Mission.

Now being back to Tokyo, I wish to thank you very much for the warm reception and kind hospitality shown to us by you and by so many peoples of your communities, businesses and citizens during our stay, although a very short one, in your esteemed state.

I am sure that all of us in the Mission learned many things from you and gained deeper, closer and better understanding of Oregon as a potential place of investment and business opportunities for Japanese companies and I hope our visit contributed as a step to contribute to further strengthen the good will and cooperation between the State of Oregon and Japan.

Looking forward to meeting you again soon and once again with my sincere thanks, I remain.

Yours sincerely,

S. Watakabe
