Dear Mr. Atiyeh:

Thank-you for reading my letter, my name is Troy, I am 22 years old, and I am Australian. I'm writing to respectfully ask if I may have an autograph from yourself. I do indeed have a sincere interest in notable American Governors, and naturally I would appreciate your autograph very much.

Please find enclosed a stamped self-addressed envelope for your reply, and a First Day Cover, and bookplate, that I do hope you might find appropriate to sign and return to me.

With warmest regards and appreciation:

*Troy O'Keefe*
