STATE OF OREGON

INTEROFFICE MEMO

TO: John Williams, Superintendent  
Oregon State Police

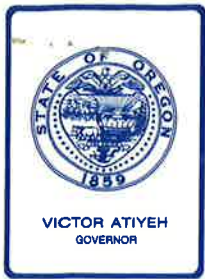

DATE: February 28, 1983

FROM: Bob Oliver *BO*

SUBJECT: Rajneesh Festival

On Thursday, February 24, Sheila Silverman and Jay Anonda visited my office. They wanted to discuss a wide variety of topics affecting the Bhagwan and his deciples.

In the course of the conversation, they mentioned plans for the second world festival, to be held at Rajneeshpuram late in June and early in July. Wasco County Court, it seems, already has approved the mass gathering permit for this occasion. Sheila and Jay indicated they expect about 15,000 people this time. They asked whom they should contact, within the Department of State Police, to begin work on public safety coordination matters.
